Staff Report : http://www.sdcounty.ca.gov/dplu/gpupdate/BOS_Dec2011.html

On Aug. 3, the Board of Supervisors adopted the General Plan Update. Following adoption of the plan, the Board voted to schedule a workshop to review the Property Specific Requests that were submitted during the General Plan Update hearings but not included in the adopted plan. These requests were submitted during public testimony on the General Plan Update and evaluated in the [March 16 staff report](#). Approximately 137 specific requests were analyzed by staff for the workshop and the analysis is now available to the public on the [General Plan Update Website](#).

The Jan. 9 workshop will be held during a regularly scheduled Board meeting which begins at 9 a.m. in the Board Chambers at 1600 Pacific Highway. Additional workshop days have also been reserved on Jan. 10 and Jan. 11 in the event that they are needed
